## INVITATION LETTER

To,

Ms. Aditi Jyoti Dahanga

Assistant Professor,

Aviram College of Nursing,

Kudu, Ranchi

**Subject:-** Invitation for joining the “**Workshop on Occupational Hazards**” as Resource Person

**Dear Ma'am,**

Most humbly, we are excited to extend an invitation to you for our upcoming **Workshop on Occupational Hazards** scheduled on **30/09/2021**

The main objective of the workshop is to generate awareness regarding the several occupational health hazards and focus on preventive measures.

As we all recognize the value of a healthy living society. It is important to take this responsibility to spread awareness regarding the threats and hazards which comes along with the occupation one is having and can be the cause of many life threatening disease conditions. Hence this workshop is very important to discuss.

Our esteemed resource person for this workshop is Ms. Aditi Jyoti, a distinguished expert in the given field. With extensive experience in this field and a profound understanding of the occupational threats, Ms. Aditi Jyoti Dahanga will share valuable knowledge, case studies and effective preventive measures during the workshop.

Thank You for your consideration.

Sincerely,

*Mang*

## **Report: Workshop on Occupational Hazards,**

**Date : - 30/09/2021**

Resource Person – Ms. Aditi Jyoti Dahanga, Assistant Professor, Aviram College of Nursing

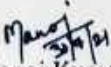

Course Objectives:

- To understand different types of occupational hazards among students.
- To gain knowledge regarding safety and precautions during work to prevent serious damages.

Course Outcome:

- Apply the knowledge to identify life threatening work conditions as well as causes of illnesses.
- Engage in actions practically to improve the condition and minimize the occupational health hazards.

Ms. Aditi Jyoti Dahanga led on an insightful session on the topic, specifically she described regarding different occupational hazards, risk factors, causes and direct impact on an individual. She also extends the sound knowledge regarding the identification of the condition and deep understanding of safety and precautions to minimize the hazards and improve working condition.
