The International Journal of Scientific Development and Research (IJSDR) aims to explore advances in research pertaining to applied, theoretical and experimental Technological studies. The goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world. IJSDR will provide an opportunity for practitioners and educators of engineering field to exchange research evidence, models of best practice and innovative ideas.

## International Journal Of Engineering, Science, Technology And Innovation (IJESTI)

IJESTI is an open-access, peer-reviewed online journal, publishes Original Research Contributions and Key Advances in the field of **Engineering, Science, Technology and Innovation**. The aim of IJESTI is to promote international exchange of knowledge and broad discussion on advancements, outcomes and latest developments in Engineering, Science, Technology and Innovation.

Our principle is to Provide Permanent DOI to each Published Articles and the Metadata is routinely presented to different Indexing Engines like Google Scholar, Open J-Gate, Research Gate and other International recognizable Indexing Engines.

### Publication Highlights in IJESTI

- Blind Peer- Reviewed Open-access Journal.
- Excellent Editorial Standards.
- A rigorous, fast and constructive Peer-Review Procedure.
- Published articles furnished with DOI (Digital Object Identifier System).
- Up to date status of the Manuscripts through Online Tracking System (OTS).
- Submit the Manuscripts through Online.
- The Wide coverage of published articles through indexing and abstracting.
- Statistics of Articles download and visits

## International Journal Of Engineering, Science, Technology And Innovation (IJESTI)

IJESTI is an open-access, peer-reviewed online journal, publishes Original Research Contributions and Key Advances in the field of **Engineering, Science, Technology and Innovation**. The aim of IJESTI is to promote international exchange of knowledge and broad discussion on advancements, outcomes and latest developments in Engineering, Science, Technology and Innovation.

Our principle is to Provide Permanent **DOI** to each Published Articles and the Metadata is routinely presented to different Indexing Engines like Google Scholar, Open J-Gate, Research Gate and other International recognizable Indexing Engines.

### Publication Highlights in IJESTI

- Blind Peer- Reviewed Open-access Journal.
- Excellent Editorial Standards.
- A rigorous, fast and constructive Peer-Review Procedure.
- Published articles furnished with DOI (Digital Object Identifier System).
- Up to date status of the Manuscripts through Online Tracking System (OTS).
- Submit the Manuscripts through Online.
- The Wide coverage of published articles through indexing and abstracting.
- Statistics of Articles download and visits

The International Journal of Scientific Development and Research (IJSDR) aims to explore advances in research pertaining to applied, theoretical and experimental Technological studies. The goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world. IJSDR will provide an opportunity for practitioners and educators of engineering field to exchange research evidence, models of best practice and innovative ideas.

The International Journal of Scientific Development and Research (IJSDR) aims to explore advances in research pertaining to applied, theoretical and experimental Technological studies. The goal is to promote scientific information interchange between researchers, developers, engineers, students, and practitioners working in and around the world. IJSDR will provide an opportunity for practitioners and educators of engineering field to exchange research evidence, models of best practice and innovative ideas.

## International Journal Of Engineering, Science, Technology And Innovation (IJESTI)

IJESTI is an open-access, peer-reviewed online journal, publishes Original Research Contributions and Key Advances in the field of **Engineering, Science, Technology and Innovation**. The aim of IJESTI is to promote international exchange of knowledge and broad discussion on advancements, outcomes and latest developments in Engineering, Science, Technology and Innovation.

Our principle is to Provide Permanent DOI to each Published Articles and the Metadata is routinely presented to different Indexing Engines like Google Scholar, Open J-Gate, Research Gate and other International recognizable Indexing Engines.

### Publication Highlights in IJESTI

- Blind Peer- Reviewed Open-access Journal.
- Excellent Editorial Standards.
- A rigorous, fast and constructive Peer-Review Procedure.
- Published articles furnished with DOI (Digital Object Identifier System).
- Up to date status of the Manuscripts through Online Tracking System (OTS).
- Submit the Manuscripts through Online.
- The Wide coverage of published articles through indexing and abstracting.
- Statistics of Articles download and visits
