

Annual E-governance Report

Bharathi College of Education has implemented e-governance for sharing information and to manage human resource efficiently with transparency through participation and accountably from all stakeholders. The Enterprise Resource Planning (ERP) of the college is categorized as two major areas like e-administration and e-services. E-administration uses ICT for information process and decision making by the Governing body, head of the institution, IQAC and different committees formed to decentralize the administration.

E-service provides various service facilities. Most of the staff and students use smart phones to utilize the benefits of modern day technologies available in the field of higher education. A company known as Muniwar Technology Private Limited was selected for implementing e-governance in various domains of college administration. Student's attendance record through biometric system, students' database, examination, fees payment system and maintenance of college websites were made by automation process.

Time to time maintenance is carried out by faculty members and the company together. A dedicated WhatsApp Group has been created at institution level for sharing orders, information, direction and discussion on a common platform is ensured with utmost transparency within time limits.
