## **I. FEEDBACK FROM STUDENTS ABOUT TEACHING AND CURRICULUM**

The feedback from students about teaching and curriculum comprises 12 questions, enlisted below.

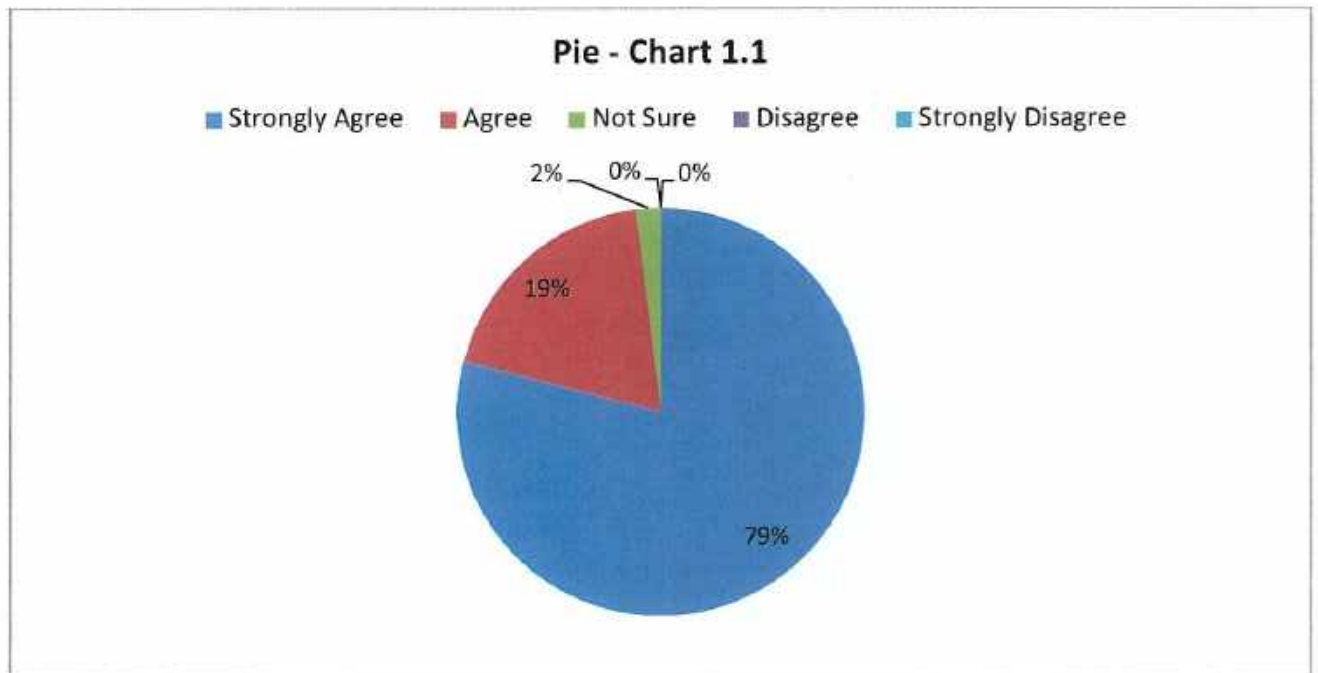

- a. The curriculum is designed so as to enhance our employability.
- b. The courses studies by me are relevant and the contents are revised at reasonable intervals.
- c. The courses studied by me have enhanced my knowledge as well as my skills and my capabilities.
- d. The entire syllabus is completed in time.
- e. Modern teaching aids, power point presentations, web resources, multimedia, e – content, etc. are used by most of the teacher while teaching.
- f. The Teachers guide the students for overall personality development of the students.
- g. The teachers provide the students opportunity to learn and grow.
- h. The teachers give regular and timely feedback on the performance of the students.
- i. The assessment and the evaluation process is fair and unbiased.
- j. The teachers take efforts to inculcate soft skills in the students.
- k. The teacher take efforts to enhance employ ability, skills in the students.
- l. The teachers encourage the students to participate in extra- curricular, co – curricular activities & research projects.

## **ANALYSIS REPORT**

The feedback collected from the students of academic year – 2022-24 about Teaching and Curriculum clearly state the following.

- Most of the students believed that the curriculum is designed so as to enhance our employability.
- Most of the students agreed that courses studies by them are relevant and the contents are revised at reasonable intervals.
- All students agreed that courses studied by them have enhanced their knowledge as well as their skills and capabilities.
- All students are strongly agreed that the entire syllabus is completed in time.
- Most of the students agreed that modern teaching aids, power point presentations, web resources, multimedia, e – content, etc. are used by most of the teacher while teaching.
- The Teachers guide the students for overall personality development of the students.
- All students agreed that the teachers provide the students opportunity to learn and grow.
- Most of the Students agreed that the teachers give regular and timely feedback on the performance of the students.
- Most of the students agreed that the assessment and the evaluation process is fair and unbiased.

**Attested**  
  
Principal  
Bharathi College of Education  
Kandri, Mandar, Ranchi

- Maximum no. of students agreed that the teachers take efforts to inculcate soft skills in the students.
- Most of the students accepted that the teacher take efforts to enhance employ ability, skills in the students.
- Most of the students agreed that the teachers encourage the students to participate in extra- curricular, co – curricular activities & research projects.

**Thus, we concluded from the feedback taken from the students about the teaching and curriculum that they are happy and satisfied with the teaching facility and curriculum, hence no major change is needed.**

## II. PRACTICE OF TEACHING (POT) FEEDBACK

The feedback from the Principal of Schools assigned for Practice of Teaching of the students (POT) focuses on three major areas, firstly teaching – learning process, secondly course content, and thirdly evaluation process. Questions related to these fields are enlisted below.

### I. TEACHING-LEARNING PROCESS

- a) The Pupil teacher provides guidance/counseling in academic and non-academic matters in/outside the class.
- b) The Pupil teacher encourages participation and discussion in class. (Teacher-Student, Student-Student)
- c) The Pupil teacher uses modern teaching aids/gadgets, handouts, suggestion of references, ppts, web resources, etc.
- d) The Pupil teacher pays attention to academically weaker students as well.
- e) The Pupil teacher is regular and punctual in class.
- f) The Pupil teacher invites opinion and questions on subject matter from students.
- g) The Pupil teacher inspires students for ethical conduct.

Attested

Principal  
Bharathi College of Education  
Kandri, Mandar, Ranchi

## **II. COURSE CONTENT**

- a) The Pupil teacher links the subject to real life experiences and creates interest in the subject.
- b) The Pupil teacher covers the entire syllabus in time.
- c) The Pupil teacher explains the topics efficiently.

## **III. EVALUATION PROCESS**

- a) Periodical assessments are conducted as per schedule.
- b) The Pupil teacher uses non-traditional methods of evaluation like quiz, seminars, assignments, classroom presentations/participation (or any other method).
- c) For better academic performance, do you think you need?

a. For better academic performance, do you think you need?

**Pie Chart 2.3.3**

- More lectures by experts
- To write more assignments Access the internet
- More books in the library
- Extra/Remedial Classes

**Interpretation:** - 27% Principals marked on need of more lectures by experts, 24% Principals marked on to write more assignments access the internet 44% Principals marked on extra/remedial classes and only 5% marked on more books in the library for better academic performance.

**Attested**

Principal  
Bharathi College of Education  
Kandri, Mandar, Ranchi

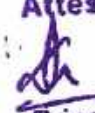

## **ANALYSIS REPORT**

The feedback collected from the Principal of schools assigned for Practice of Teaching of the students (POT) focuses on three major areas, firstly teaching – learning process, secondly course content, and thirdly evaluation process. For the academic year – 2022-24. Feedbacks clearly state the following.

### **I. TEACHING-LEARNING PROCESS**

- a. Most of the Principals observed that the Pupil teacher provides guidance/counseling in academic and non-academic matters in/outside the class.
- b. Most of the Principals observed that the Pupil teacher encourages participation and discussion in class. (Teacher-Student, Student-Student)
- c. Most of the Principals observed that the Pupil teacher uses modern teaching aids/gadgets, handouts, suggestion of references, ppts, web resources, etc.
- d. Most of the Principals observed that the Pupil teacher pays attention to academically weaker students as well.
- e. Maximum of the Principals observed that the Pupil teacher is regular and punctual in class.
- f. Most of the Principals observed the Pupil teacher invites opinion and questions on subject matter from students.
- g. Most of the Principals observed the Pupil teacher inspires students for ethical conduct.

**Attested**  
  
Principal  
Bharathi College of Education  
Kandri, Mandar, Ranchi

## **II. COURSE CONTENT**

- a. Most of the Principals observed the Pupil teacher links the subject to real life experiences and creates interest in the subject.
- b. Most of the Principals observed that the Pupil teacher covers the entire syllabus in time.
- c. Most of the Principals observed that the Pupil teacher explains the topics efficiently.

## **III. EVALUATION PROCESS**

- a. Most of the Principals observed that periodical assessments are conducted as per schedule.
- b. Most of the Principals observed that the Pupil teacher uses non-traditional methods of evaluation like quiz, seminars, assignments, classroom presentations/participation (or any other method).
- c. 27% needs more lectures by experts, 27% marked on to write more assignments access the internet 44% marked on extra/remedial classes and only 5% marked on more books in the library for better academic performance.

**Thus, we concluded from the feedback taken from the Principals about the Practice of Teaching assigned to students. Most of the Principal found our students efficient and competent in those three aspects mentioned in the feedback form i. e – Teaching – Learning Process, Course Content and Evaluation Process. They are happy and satisfied with the students' performance;**

**For better academic performance majority of principals suggested for extra/remedial classes. That got planned as per the student's curriculum.**
